Dua Noor to be recited at the time of ending the fast in the month of Ramadan

Sahar and Iftaar · 25 lines

The Holy Prophet (peace be upon him and his family) recommended this dua to Imam Ali (peace be upon him) and said that Jibreel (as) came to me and said, "Whoever in the holy month of Ramadhan before iftaar recites this dua, Allah answers his prayer, accepts his prayer and fasting, grants his ten requirements, forgives his sins, removes his grief's, makes his heart at ease, grants his wishes, makes his deeds to ascend upward with the deeds of prophets and righteous saints and on the Day of Judgment brings him to His presence with his face illuminated like a bright moon." Sayyid ibn Tawus and al-Kaf'ami have narrated the following supplication:

O Lord of the magnificent light, Lord of the highest heaven,	*allahumma rabban nooril ‘azeem wa rabbal kursiyil rafee’*	اللّٰهُمَّ رَبَّ النُّوْرِ الْعَظِيْمِ وَ رَبَّ الْكُرْسِيِّ الرَّفِيْعِ
