The method

Sayyid Ibn Tawus mentions a prayer of two rakats offered on the third of Safar.

In the first rakat, recite Surah al-Fatihah and Surah al-Fath (chapter 48). In the second rakat, recite Surah al-Fatihah and Surah al-Tawhid.

After completing the prayer, recite one hundred times each of the following three: the salawat, invoking blessings upon the Holy Prophet and his Household; the laanat, invoking the curse upon the Umayyads; and the istighfar, imploring forgiveness. One may then ask for the granting of his needs.

The curse upon the Umayyads is said in this form:

O Allah, curse the family of Abu-Sufyan.	*allahumma il'an ala abi sufyana*	اَللّٰهُمَّ اْلْعَنْ آلَ اِبِي سُفْيَانَ
